In the case of a student having both an ACCUPLACER Next Gen Arithmetic (AR) and a Quantitative Reasoning, Algebra, and Statistics Next Gen Algebra (QA) score, the Next Gen Arithmetic score will be used for placement.

Students with a Next Gen AR score will determine math placement into: MATH 00100 Math, MATH 00861 AAS Math Health Professions Co-Req, MATH 00963 Foundations of Math, or MATH 00761 Quantitative Literacy Co-Req according to math track determined by degree of study.

Otherwise, students with only a QA score will be used to determine math placement.

(IF <234 Next Gen QA → Use Next Gen AR score)

***Degree seeking students scoring 0-14 Math ACT or equivalent must enroll MATH 00100 CCAP Math and receive a “pass: before advancing to either Foundations of Math or Quantitative Literacy + Co-Requisite or AAS Math Health Profession + Co-Requisite. It is recommended for students to take a placement exam after completing CCAP.**

****AAS Math Health Profession Co-Requisite Courses:** ACT 15 or equivalent placement score in Math may enroll in a Co-req course. Each Co-req course is paired with a specific AAS Math Health Profession section that students must enroll in.

***** Quantitative Literacy Co-Requisite Courses:** ACT 15-18 or equivalent placement score in Math may enroll in a Co-req course. Each Co-req course is paired with a specific Quantitative Literacy section that students must enroll in. See Multiple Measures below.

******College Algebra Co-Requisite Courses:** ACT 17-18 or equivalent placement score in Math may enroll in a Co-req course. Each Co-req course is paired with a specific College Algebra section that students must enroll in. See Multiple Measures below.

General Education Multiple Measures – Effective Fall 2022

MATH:

- ACT and Accuplacer for placement scores (or equivalent) **OR**
- High School GPA 3.25 GPA graduating within last **3** years **AND** Algebra 2 (or higher) with a B (or higher) = College Algebra w/co-req or Quantitative Literacy w/co-req

ENGLISH:

- ACT and Accuplacer for placement scores (or equivalent) **OR**
- High School GPA 3.25 GPA graduating within last **5** years = Comp I w/co-req **OR**
- English 12 (or higher) with a B (or Higher) = Comp I w/co-req

READING:

For students scoring into Adult Education CCAP reading, a high school GPA of 2.75 graduating within the last **5** years can be used to move student into Foundations of Composition.

Business, Trade, and Industry Multiple Measures – Effective Fall 2022
