

# Blackboard App Instructions

## NEW Install of Blackboard App (I need the app):

Install the Blackboard Learn app > Click Continue with Web-Login > Log into you Microsoft account using your student email address > Click on the Bb App tile.

## Previously Installed Blackboard app (I have the app):

When you open the previously installed app, you will be prompted to log in with your username and password. However, UAHT has updated all blackboard user accounts and embedded the blackboard login inside of your Microsoft accounts. Follow this quick process to reach the correct login method:

Open the previously installed app > Click **CHANGE** under the university name > Type in University of Arkansas at Hope-Texarkana > Click Continue with Web-Login > Log into you Microsoft account using your student email address > Click on the Bb App tile.
